## EXPERIENCE

### 2018- PAF ARCHITECTS

Worked on a series of smaller commissioned projects as well as participated in International competitions; , Sevenoaks Nature and Wellbeing center, City of Brno, Spitalka Urban Design Development, Czech republic, DOM international housing competition

### 2012- 2018 PAUL DEFIGUEIREDO/ MHKW ARCHITECTS

Managed an independent studio design team at HMKW on a series projects and competitions in China and Canada. Oversaw the development of the concept and drawing production, developed details and coordinated with consultants

### 2006-1012 IBI GROUP (ROBBIE YOUNG + WRIGHT)

This office has provided me insight into the functions of a large architectural firm and experience in design and project management of educational and institutional buildings in Ontario. I worked as a senior design architect on a series of urban design studies and educational buildings for the University of Waterloo, University of Guelph, and Wilfrid Laurier University. This work involved design and design development, co-ordination with consultants, budget analysis, presentation material, design options, detailed cost assessment, code review and project management and co-ordination.

### 2003-2006 MHKW ARCHITECTS

Returned to MHKW as head off the Design Department and participated in a series of International competition projects in China: As well as participation in all phases of the project delivery, I was also responsible for hiring staff and providing assistance to the younger members.

### 2002-2003 WATERLOO SCHOOL OF ARCHITECTURE STUDIO INSTRUCTOR

While teaching at the University of Waterloo architecture studio and with funding from the Canada Council Arts Grant I worked on a serious of competitions including: The Grande Egyptian Museum A two stage international Competition

### 1998-2002 MHKW ARCHITECTS

Senior Designer in this medium-size office involved in all aspects of design and production ranging in scale and program from urban redevelopments to small housing renovations and details

### 1996-1998 J. F. BRENNAN DESIGN/ BUILD INC.

Worked as a full time consultant for a builder of high-end custom-built homes in Toronto, Montreal, and Palm Beach. Involvement included concept design, development, working drawings, details, interior design, specifications construction supervision, and project management. Projects ranged from 25,000 sq ft homes to smaller renovations.

### 1993-1998 T-ZERO DESIGN INC.

As a result of winning a national competition I was responsible for the complete design and construction of the project. It involved all aspects of the design consultant team and project management. In addition to all the design facets and contract documents including working drawings and project manual I coordinated budget and site supervision.
